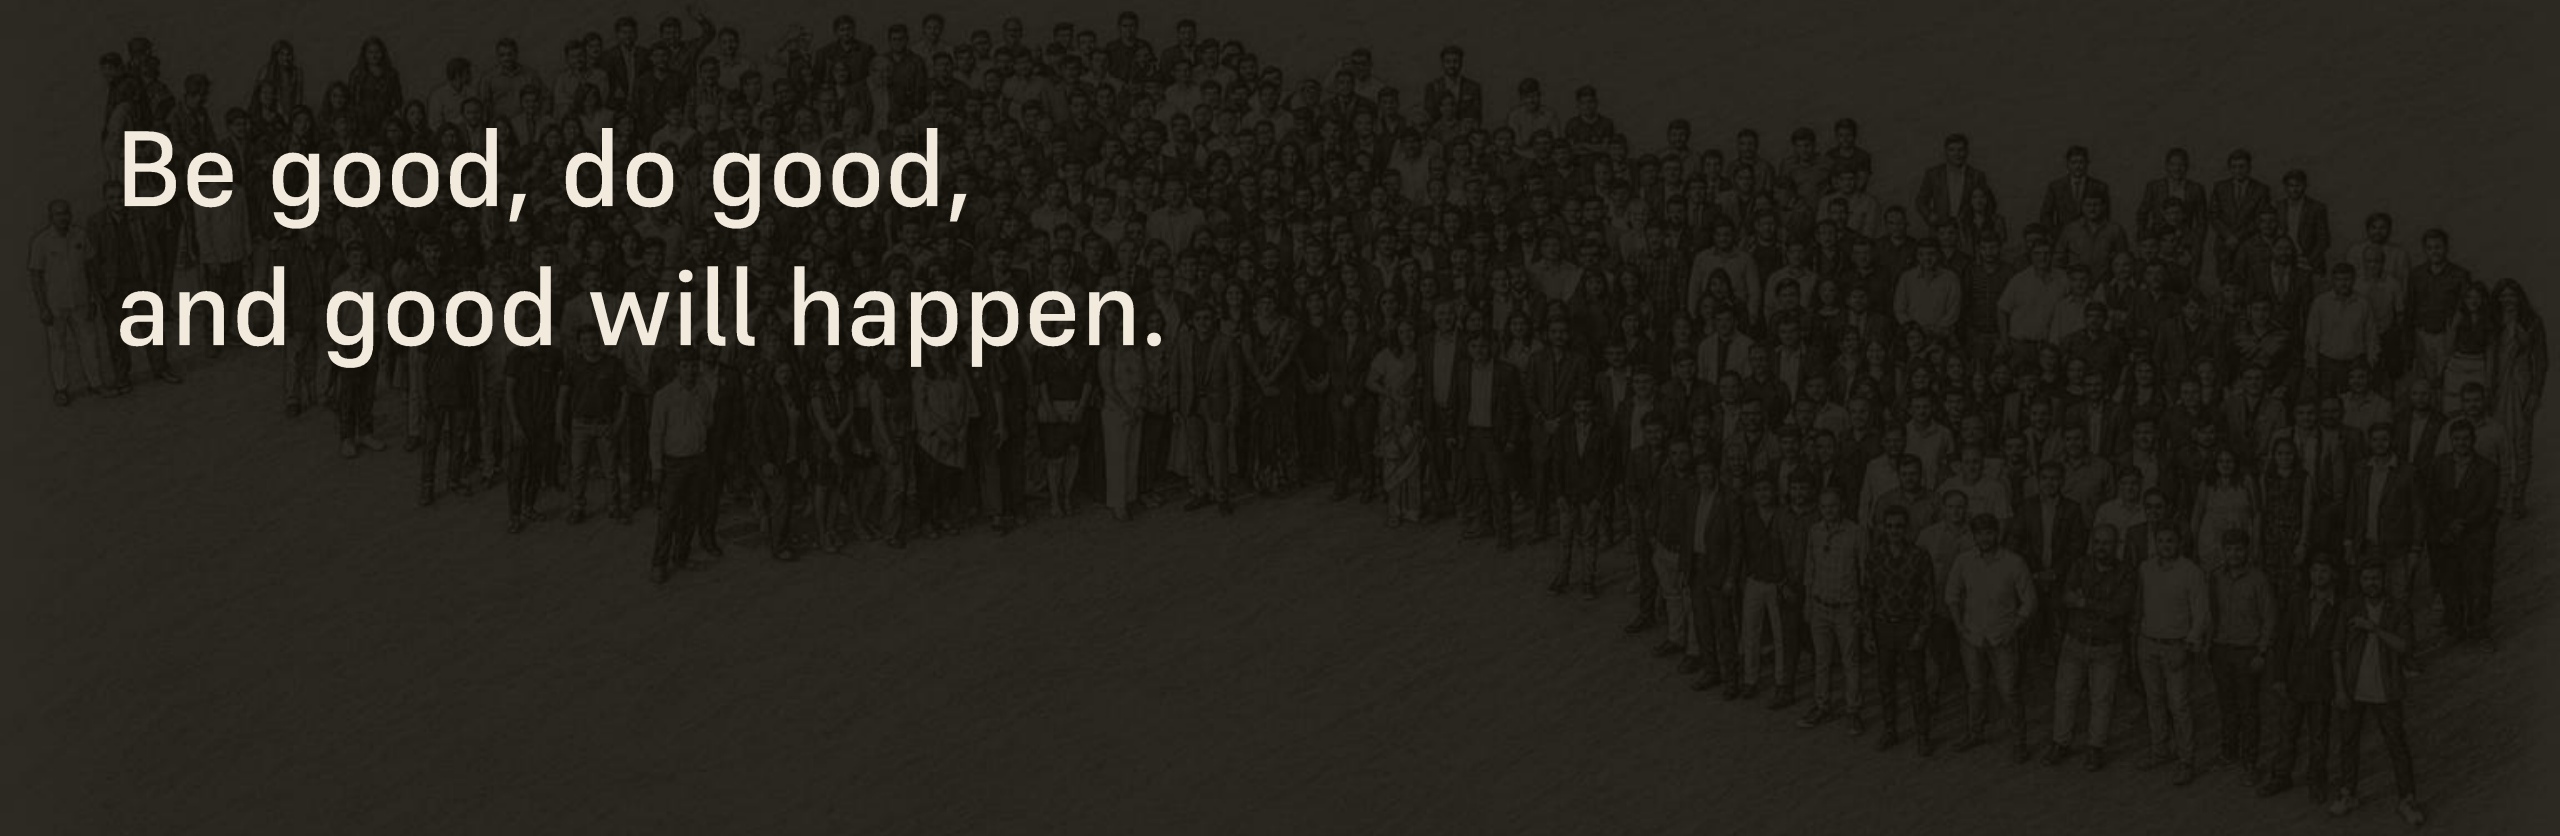
Our Belief System.

Most companies will tell you what they do. Here we tell you what we believe, and exactly what to expect from us once we walk the road together.



Be good, do good,
and good will happen.

What Powers the Business.

Five beliefs that define the group: how it is built, funded, led, and why it is designed to succeed even in challenging times.

I	Burn the bridges.	Commitment is only commitment when there is nothing to fall back on.
II	Everyone here is an entrepreneur.	We were founded by one entrepreneur. We are run by hundreds of them.
III	Ten a day, every day.	We would rather earn ten every day than ten thousand once. Durable beats dramatic, in revenue and in everything else.
IV	The customer comes before the margin, and before us.	The order matters, and it is not negotiable: the customer, then the work, then the margin, then us.
V	When times are good, even donkeys can run.	Anyone grows in a rising market. The hard years tell the donkeys from the horses, and the hard years are the ones we are built for.

What shapes our team within.

Five beliefs about our team: how promises are honoured, how dreams are shared, how disagreements are resolved, what the group owes its families, and why nobody is allowed to become complacent.

VI	A promise made is a promise honoured.	A commitment made on a call in one country is a commitment the whole group keeps.
VII	Together, we dream the same dream.	Ambitions are personal. Direction is shared. We put both on the table and argue until the dream belongs to everyone.
VIII	**F = C · P = S**	Frustrated, so you Communicate. And you communicate the Solution, not the Problem.
IX	One roof, many households.	Fifteen countries, one culture: a handshake means the same thing in Zoetermeer as it does in Ahmedabad.
X	Success is practised, never possessed	Twenty-nine years and forty companies are not a guarantee. They are a habit, renewed every morning

We have never believed that an Organization is built with code, capital, or a clever idea. It is built with character.

Governance, Trust and Recognition.

The Gateway Foundation
...Doing our bit
Our ambitions have always extended beyond business, towards creating lasting value for the communities around us.

Doing our bit. Every single year.

The Gateway Foundation operated by the CB Gemawat Charitable Trust carries the same long-term vision beyond our businesses.

Blanket distribution.	Winter drives before the coldest weeks, for those without shelter. 25,000+ blankets distributed over two decades.
Footwear distribution.	Summer drives, for children who step out barefoot and risk injury and infection. 40,000+ pairs distributed over two decades.
Blood donation camps.	Camps at regular intervals through the year, where our teams give what they can. 10,000+ units collected over two decades.
Food and old-age drives.	Food drives, medicine, and support for old-age homes, run through the year.
Children in school.	School fees funded for underprivileged children. 130+ supported as of 2026, more than 90 of them girls.
In all.	Half a million lives touched over two decades, across these drives and others.

The Organization at a glance.
